GENERAL RULES

1. Weight includes driver.
2. Minimum drawbar length 18 inches from center of rear wheel to point of hook. Drawbar to be stationary in all directions. Drawbar height maximum 20 inches from ground to top of hitching device parallel to the ground. Driver to furnish bolted clevis. No devices to be hooked by hydraulic lifts. Hitching device not to be more than 1 1/2 inches in thickness and must have a 3 inch diameter opening. Cross-sectional thickness must be equivalent to 3/4 inch round stock. Pulling point must not have more than 1 1/2 inches from back edge to hitching device.
3. No pressurized fuels allowed, except LP gas. No oxygen allowed.
- 4. No pre-dyno after pull starts. Time limit of 10 minutes on Dyno.**
7. All exposed turbochargers or portions thereof must be shrouded with steel 1/16 inch or thicker.
8. All exhausts must discharge vertically upward above the highest point of the tractor with the exceptions of roll bars and be securely attached.
9. No home-made tractors, no dual wheels or tire chains. Weights on rear are as follows: (1.) If put on lift arms, must be secured to frame of tractor. (2.) Also must have room to hitch from standing on front of transfer sled; if not, tractor will be disqualified.
10. All stock tractors must be equipped with a hood and grill. No cut or special designed pulling tires allowed.
11. The contest is to be governed by three judges; all decisions will be final. The judges have the right to stop any pull if it is being operated in an unsafe manner. All protesters must make a \$25.00 deposit for re-checking.
12. All minors must have written consent of parents or guardians to enter contest.
13. Only one pull allowed each contestant unless judges declare a tie. Pull is ended when tractor engine stalls or forward motion stops. No jerking allowed. Shifting permitted if forward motion isn't stopped.
14. Driver in seat at all times while pulling in contest.
15. Ladies are welcome to participate in any class.
16. Stock tractors are agricultural tractors having standard block, injection pump and crankcase for the make and model being entered, and power take-off, single fuel, single turbo charge, also factory standard seat.
17. The tractors will remain in front of grandstand after they have pulled and the top eight tractors will be checked for weight and drawbar immediately following the class. The drivers will remain in their seats after pulling and no helpers or spectators will be allowed on or around them until they have been checked. **DRIVERS: It is up to you to keep them off or you will be immediately disqualified.**
18. Driver allowed one helper while pulling.
19. CONDUCT - Participants will conduct themselves in a sportsmanlike manner, NO ALCOHOL OR DRUGS will be permitted on the premises or in possession of drivers or assistants. Immediate expulsion will result if these rules are broken.
